Biography

PROFILE

Arthur Cole is the chief executive officer of Cole, Newton & Duran CPAs (CND) and has more than 40 years of experience providing value added services and advice to clients. He was also the managing partner at CND from 2001 – 2020.

In addition to his office leadership position, Arthur specializes in providing proactive business solutions to the firm's clients. His previous experience includes working for several regional banks concentrating on his professional management skills in private banking and commercial lending.

Arthur is also the president of CND Financial (CNDF), a registered investment advisory firm. CNDF works in concert with Cole, Newton & Duran CPAs to coordinate investment and tax planning strategies for mutual clients.
