PROFILE

Christopher Keenan, senior accountant, joined Cole, Newton & Duran CPAs in February 2019. Christopher started his career at the firm as a seasonal tax preparer where he was responsible for preparing and filing individual and business tax returns during tax season.

Christopher has more than 23 years of accounting and tax experience. Before joining the firm, he had been an independent accounting professional for the past 12 years. Prior to that, he worked as an accountant in private industry for three years and spent eight years working for various public accounting firms including Ernst & Young, LLP.

SPECIFIC EXPERIENCE

- Provide payroll, bookkeeping, and financial statement preparation services for a variety of businesses and not-for-profit organizations
- Assist in audit and review services for large and medium sized businesses, as well as provide compilation services for small businesses including not-for-profit organizations
- Tax return preparation for corporations and individuals, including individual In-Patriot returns for foreign individuals working in the U.S.
- Experience performing general ledger reconciliation, adjusting journal entries, fixed asset maintenance, and preparation of sales tax returns

INDUSTRY & COMMUNITY INVOLVEMENT

- IRS Annual Filing Season Program (AFSP)
