

## IMPORTANT NOTICE

To properly complete your 2020 Federal income tax return, we need the exact amounts of your 2 Economic Impact Payments (so called stimulus checks).

The first payment was send around April 2020, and the second payment was send around December 2020 or January 2021.

The third Economic Impact Payment was send around March 2021. That amount will be needed for your 2021 Federal income tax return.

Also for 2021, if you have a qualified child, you may received additional Federal checks for each month from July to December. The amounts of these checks will also be needed to properly complete your 2021 tax return.
