Don't Miss Reducing Rehospitalizations/ADRs/ Case Mix Index Impact:

Aegis Therapies and Hargis and Associates, will present this one-day seminar on Wednesday, October 31, from 8:30-3:30 at the Holiday Inn University Plaza in Bowling Green, KY. Mary Saylor, MPT and Dr. Donna Diedrich, PT, of Aegis Therapies, along with Sarah McIntosh, Director of Operations at Hargis and Associates will address the hottest topics regarding rehospitalizations, how to handle ADRs, and the financial impact these have on the Case Mix Index. Cost to attend is \$50.00 [To register click here>>>>](#)

October 1 Facility Specific Medicare A Rate Calculations – CONTACT US NOW!

We can calculate your Medicare A PPS rates that will be effective October 1, 2018 – September 30, 2019. Additionally, we can translate your Value Based Purchasing Program (VBP) information into dollars for you. For a minimal fee, we have developed a report drilling down the financial impact specific to your facility. The VBP report requires you to provide your VBP Performance score report. This report can be found on tab 3 of the Casper Report – SNFVBP August 2018 Score Report FY19.xlsx.

Events, News & Notes
