

# SENIOR STAFF PROFESSIONALS

---

To apply, please email your resume, cover letter describing your qualifications, and three professional references to [mjahn@afgcpa.com](mailto:mjahn@afgcpa.com).

## ABOUT US:

Acumen Financial is a local firm that serves clients throughout the Portland metro area and Willamette Valley with our two offices in Lake Oswego and Albany. Since 2004, we have been providing innovative and creative solutions to these clients and are unique in our comprehensive approach to a wide variety of services that we provide. We are a full service firm offering tax, audit, bookkeeping, accounting process outsourcing and consulting services.

## OPPORTUNITIES AVAILABLE:

- Acumen is seeking knowledgeable CPAs or equivalents to work in multiple departments doing a variety of work which may include accounting consultant services, financial services (i.e. audit and review engagements) and preparing tax returns for various entities such as individuals, corporations, partnerships, estate, trusts and non-profits.
- We have opportunities for professionals with advanced technical skills and supervisory/management experience.

## QUALIFICATIONS:

- A Bachelor's degree in Accounting and CPA certification preferred.
- Minimum of 3 years experience in public accounting preferred.
- You should have excellent customer service, creative problem solving, research, written and verbal communication skills.
- You should be highly motivated and interested in taking the initiative for personal growth and development.
- Able to work effectively both as part of a team and independently and have the ability to supervise others. This includes developing and supervising staff and assisting in client management to ensure the overall success of each project.
- You should possess expertise in at least one (preferably multiple) areas of public accounting. Please included your developed areas of expertise on your cover letter or resume.

## THE BENEFITS:

- Acumen Financial offers a competitive benefits package, including a 401(k) plan, paid time off and insurance coverage to all full time employees.
- Salary based upon your experience.
- Collaborative firm environment utilizing a digital work flow process.
- Ongoing training and education for your own growth.
